President's Message

Robert Marks

Las Positas Men's Golf Club Members:

Welcome to June and hopefully some warmer weather. I would like to invite everyone to come join a couple of our meetings during the summer. We are into the monthly meeting schedule now until September. This club has been in existence of over 30 years (probably way longer) but I can only speak for as long as I have been in the area. It takes a group of enthusiastic golfers who are willing to volunteer some time to keep the organization functioning on a year to year basis. I am writing this note today asking for members to come to the meetings so you can discuss any changes you would like to see to improve the overall operation of the club. By coming to the monthly meeting you can improve the club and become more familiar with the inner workings of the club. This also brings me to the main point of this month's message.

We will have turnover this year for some of our board seats. We have some long time and long term board members who after many years of service are stepping down. We are looking for members of the club to volunteer some time and fill in some of the board seats. We could have co-seats to share responsibilities, if that would help make it easy for some members to volunteer. There are some really good reasons to volunteer some time to the club. You can:

- Develop new skills
- Make social connections
- Give back to your golfing community
- Gain some new perspectives
- Know that you're needed
- And boost your self-esteem, something the game of golf becomes very fickle about

Bottom line, volunteering may be good for the body and mind.
Thanks for your time this month and I hope to see you on the course. Remember they say golf is like life, but don't believe them. Golf is more complicated than that.

Pro Shop Notes

Jeff DeBenedetti

.

Texas Wedge

Many amateurs feel the high Pitch shot is the way to go when you miss the green with your approach shot. However, many times the ball doesn't need to go high in the air to get it close to the hole.

For those players who have trouble chipping around the green, try using your "Texas Wedge." If the fairway is cut smooth to the green, and there is no rough or bunker between you and the flag, Putt it. Play the ball in the same position as if you were on the green and roll it to the hole. You may find your worst Putt may be better than your best Pitch Shot.

Tournament Notes

Robert Scott

The new tournament schedule is posted online and a copy is available in this version of the Chip Shots. Please note the dates and formats available for the year. We have some great tournaments coming up, so now is a great time to get out and play!

In this edition of the Chip Shots is information on the LPMGC tournament participation policies and refund policy information. Please take a moment to read these as they are important for you to know / remember. We also have our slow play policy posted. As always, please keep up with the group ahead of you and be mindful of divots and ball marks as you play. Our continued vigilance in our pace of play and how we treat the course are critical to everyone's enjoyment during the day.

Finally, when signing up for any LPMGC tournament, please talk to your playing partners before signing up, and signing your buddies up for a round of golf. They may have already signed up with someone else, or may not intend to play in a specific tournament.

Eclectic Results

Robert Scott

Congratulations to our 2015 Eclectic winner Eddie Herbert! Eddie edged out Doug Hattori for the Victory.

All of the meetings will be held at 7:00 pm at Beeb's Bar and Grill at the Las Positas Golf Course.

LPMGC - Tournament Rules

The following are the current Tournament Rules for Tournaments held by the Las Positas Men's Golf Club.

1. A member must have at least twenty (20) posted rounds to be able to **Qualify** in the following tournaments:
a. NCGA Qualifying Events (4)
b. Presidents Cup
c. Senior Championship
d. Club Championship.

There are specific requirements for each tournament; these are published on the tournament entry form. ALL members are eligible to participate in every Men's Club Tournament.

All tournament entries must be accompanied by a check. All entries are due in the Pro Shop on Thursday, 5:00 PM, the week prior to the tournament. Entries are to be dropped into the club's box.

Entries for non-computer paired tournaments must include all names in your group and checks for your group.

Withdrawals must be made at least 48 hours in advance. The prize fund fee will not be refunded after 48 hours.

Withdrawals on the day of the tournament, the entrant will forfeit all fees unless there are extenuating circumstances. The tournament committee will make the final decision on refunds. Members should refer to the Refund Policy.

After the tournament pairings have been given to the Pro Shop, all further transactions (inclusions and exclusions) will be handled by the Pro Shop.

Each entrant is responsible for his "tee time", turning in a completed, signed scorecard and posting his adjusted score in the computer.

All rules decisions will be handled by the rules committee which consists of either Jeff DeBenedetti, or his designee.

All tournaments are in accordance with the USGA rules and guidelines. This includes equipment, balls, etc. Should a member use an item that does not conform to the USGA rules, that player will be disqualified.

LPMGC Slow Play Policy

1. The Las Positas Men's Club expects all groups in its tournaments to keep up with the group in front of it. If your group falls more than 1 hole behind the group in front of you, you will be considered a "slow" group, and subject to the policy as noted below.
2. POLICY: Members identified as slow-playing will be put on a list. This list will be published on the Men's Club bulletin board, in the Chip Shots and on the Club website. Members on the list will be given tee times at the end of any tournaments they participate in. To be removed from the list, you must not be warned for slow play in your next 2 tournaments.
3. You will be added to the list when you are warned for slow play by a member of the tournament committee (typically Jeff DeBenedetti and one or more of the golf shop professionals). You may also receive a "heads-up" about slow play from one of the golf course marshals first. This will not get you on the list, but should be taken as notice that you are in danger of receiving a warning from the committee if you do not catch up.

We are STILL having issues with slow play again and need to do a better job of policing ourselves to keep up with the club mandated pace of play at the beginning of the day on weekends. Not doing so will have consequences for the club.

LPMGC Tournament Refund Policy

If you notify the Golf Shop within 48 hours prior to the Tournament that you have to withdraw, you will receive a full refund of your entry fee. If you notify the Golf Shop less than 48 hours prior to the tournament date, but no later than the close of business the day before the tournament that you have to withdraw, only the Green Fee portion of the entry fee will be refunded.

NO SHOWS will receive NO REFUND and the money will go to the Men's Club Funds.
Players who do not show for the second day of a two day tournament will be treated as a NO SHOW.

Cancellations the day of the tournament will be considered for a refund of Green Fee only, IF the Golf Shop can find a replacement player. In case of an emergency on the day of the tournament, the player should notify the Golf Shop and may petition the Board, in writing, to request a refund of Green Fee Only.

T-Index Revisions

Rick Beck

Important change in the LPMGC T-index handicap calculation in 2015:

In reviewing the current T-index handicap process, the board has recognized two issues. First, players that refrain from playing for several months are not be subject to the potential lowering of their handicaps due the 6-month limit of rounds considered in the calculation. This is seen as unfair to regular players who do have to play under reduced handicaps. Second, when two tournaments are played within the same NCGA index revision cycle, a golfers score from the first of the two tournaments does not impact their T-index for the next tournament. Since one of the purposes of the T-index is to level the playing field, it has been determined that a recalculation should be done for each LPMGC tournament.

Starting Jan 1, 2015 the following T-index override computation process will be used. Please note that the first two paragraphs indicate changes from the current process.

- The last 10 LPMGC tournament differentials will now be used in the T-index calculation instead of differentials from the last 6 months. If a member has less than 10 postable LPMGC tournament scores, then all will be used. Only rounds going back to October 2012 will be considered, since these are the earliest tournament scores that we have in our scoring database.

- T-indexes will be re-calculated for each tournament. This will make a difference when there are two tournaments within the same handicap revision cycle (1st and 15th of each month). Previously, the same t-index was used for both tournaments. Under the new process, scores from the first of the two tournaments may cause a change in the t-index in the second tournament even though the NCGA index would not have changed.

- The T-index will be calculated on the average of the best half of eligible differentials rounded up (minimum of 2). For example, if the member has 9 eligible differentials, the T-index will be the average of the best 5 differentials. If the golfers T-index is lower than their NCGA index, they will play to the T-index in official LPMGC tournaments. (Unchanged)

- T-index differentials are calculated based on the score differential (96% of the difference from the course rating adjusted by course slope). The actual golfers score is used, ESC adjustments are not made. (Unchanged)

- If a golfer does not turn in a valid scorecard or is disqualified, the round will not be included in the T-index calculation. (Unchanged)
