February 2007

## President's Message

*Gregor Markel*

February is here, and the 2007 LPMGC golf season is off to a great start! If you have had the chance to play the course in the recent weeks, other than the cold weather, the course, and especially the greens are in great shape! Kudos to Jeff Shafer and his crew.

Last month we touched on "slow play" as it relates to our tournaments. Please remember to be vigilant of keeping up with the group ahead of you and play ready golf. To further cover this issue, please review Pat Moore's following article. It has some great information on "how long" it should take us to play a round of golf in our tournaments. One other item I wanted to revisit with respect to play on the course is our need to repair ball marks, and at least one other every time you are on the putting surface. Because we play at a public course, others outside our club, do not take care of the course as well we do, or as well as we would like them to. Any time you have a moment on the green and can repair additional ball marks, do it. It will leave the course in better condition for your next round and will help the golfers behind you.

If you are interested in participating in any of the special events that are being organized by the pro shop, such as the head to head matches with Franklin Canyon and San Jose Municipal, Jeff DeBenedetti will be taking sign-ups at the General Membership meetings. Coming up this month will be open sign-ups for the Franklin Canyon event. If you want in, showing up at the meeting is the best way to enter the event, as there are a limited number of spaces available.

One final note, we have had a rash of "late sign-ups" for our tournaments recently. Please be mindful of the tournaments and the entry deadlines so that our tournament committee can organize the event and coordinate it with the pro shop. In the past the pro shop has been able to assist with late sign-ups, but there is no guarantee that space will be available for you after the entry deadline. Please be courteous to your board members and sign-up on time. ❖

## Special Events!!

*Tom Geary and Mike Rimington*

The January General Membership meeting was held on January 3rd at Beeb's Sports Bar and Grill. There were 15 members present. Thank you to Beeb's for the great appetizers.

Our guest speaker for the February meeting will be our resident expert on the rules Paul Senft. Who will enlighten us on a few rules. How many people know the penalty for hitting your tee shot outside of the tee blocks. Thanks to paul we know, and the three of us who did it will certainly pay more attention next time we tee off. Andy Nisbet will be at a future meeting to demonstrate a video lesson so be sure to look on the men's club bulletin board or the chip shots for the date. Our yearly putting contest will resume prior to the meeting in April. More details to follow at a later date.

**PLAY YOUR OWN GAME**

Las Positas Men's Club tournaments are governed by the USGA rules of golf. That being said, it has come to my attention one of those rules may be broken from time to time without knowing.

"Advice" is any counsel or suggestion that could influence a player in determining his play, the choice of a club or the method of making a *stroke*.

**Rule 8-1**

During a *stipulated round*, a player must not:

- a) give *advice* to anyone in the competition playing on the *course* other than his *partner*, or
- b) ask for *advice* from anyone other than his *partner* or either of their *caddies*.

**PENALTY FOR BREACH OF RULE:**

**Match Play – Loss of hole; Stroke Play – Two strokes**

**LPMGC Slow Play Policy**

The Las Positas Men's Club expects all groups in its tournaments to keep up with the group in front of it. If your group falls more than 1 hole behind the group in front of you, you will be considered a "slow" group, and subject to the policy as noted below.

**POLICY:** Members identified as slow-playing will be put on a list. This list will be published on the Men's Club bulletin board, in the Chip Shots and on the Club website. Members on the list will be given tee times at the end of any tournaments they participate in. To be removed from the list, you must not be warned for slow play in your next 2 tournaments.

You will be added to the list when you are warned for slow play by a member of the tournament committee (typically Jeff DeBenedetti and one or more of the golf shop professionals). You may also receive a "heads-up" about slow play from one of the golf course marshals first. This will not get you on the list, but should be taken as notice that you are in danger of receiving a warning from the committee if you do not catch up.

**Current Members on Slow Play List**

None at this time.

## LPMGC – Tournament Rules

The following is the current Tournament Rules for Tournaments held by the Las Positas Men's Club.

1. A member must have at least twenty (20) posted rounds to be able to participate in the following tournaments:
  - a. NCGA Net Qualifying
  - b. Presidents Cup
  - c. Spyglass Qualifying
  - d. Senior Championship
  - e. Spyglass Two Man Best Ball
  - f. Club Championship
2. A member must have at least five (5) posted rounds to play in any of the other club tournaments.
3. All tournament entries must be accompanied by a check. All entries are due in the Pro Shop on Thursday, 5:00 PM, the week prior to the tournament. Entries are to be dropped into the club's box.
4. Indicate on your entry resident or non-resident. Entries for non-computer paired tournaments must include all names in your group and checks for your group.
5. Withdrawals must be made at least 48 hours in advance. The prize fund fee will not be refunded after 48 hours.
6. Withdrawals on the day of the tournament, the entrant will forfeit all fees unless there are extenuating circumstances. The tournament committee will make the final decision on refunds. Members should refer to the Refund Policy.
7. After the tournament pairings have been given to the Pro Shop, all further transactions (inclusions and exclusions) will be handled by the Pro Shop.
8. Each entrant is responsible for his "tee time", turning in a completed, signed scorecard and posting his adjusted score in the computer.
9. All rules decisions will be handled by the rules committee which consist of either Dan Lippstreu, or Jeff DeBenedetti and a tournament chairman.
10. All tournaments are in accordance with the USGA rules and guidelines. This includes equipment, balls, etc. Should a member use an item that does not conform to the USGA rules, that player will be disqualified.

## ECLECTIC STARTS JANUARY 1st

The 2007 Eclectic will start on January 1<sup>st</sup>. When you pay for a round of golf in the Pro Shop, indicate that you want to play in the Eclectic and pay \$1.00 extra. At the end of the round, you **MUST** turn in a separate scorecard, signed and attested, to the Pro Shop. (Not in the tournament box) All eclectic rounds **MUST** be played with and signed by a Men's Club or Senior Men's Club Member. Eclectic play is the same as LPMGC tournaments....play the ball down, unless "Winter Rules" are declared by the Pro Shop. There are no "GIMMIES."

### A BASIC UNDERSTANDING OF THE ECLECTIC

You will have three consecutive rounds of golf to score the lowest NET Score (using your handicap) on each hole. The lowest NET score on each hole out of the three rounds will be your score for 18 holes. Remember, 3 consecutive rounds. You can try as often as you like. If you have a bad round, you may restart your three rounds at any time. Just tell the Pro Shop you are starting a new round. Tell them before you tee off, not after the round. The lowest 20 scores and all ties will be in a horse race on a date

# A Morning Walk

*Pat Moore, Handicap Chairman*

During the last couple of General and Board meetings, there has been a lot of discussion about pace of play. The consensus seems to be that while our tournaments haven't been really bad (4:45 for our last groups), this could still be improved. We spent a lot of time a couple of years ago on this topic and showed significant improvement, and we need to pay attention to it again.

In the interests of getting another data point for the discussion, I tried an experiment over the holiday weekend. Due to the frost delays, the course was empty in the morning, so I took a walk. I started at the first tee, and following the cartpaths, walked the course all the way to the 18<sup>th</sup> green. I tried to walk at a pace similar to when I am carrying a golf bag or pushing a golf cart, and I believe using the cartpath simulated a typical round – not always down the middle!

Time for the walk.....1 hour, 15 minutes!

If your goal is a 4-hour round, this leaves 2 hours, 45 minutes for executing the shots during the round, getting something at the snack bar at the turn, etc. If you go through a lot of math and break it down, if you have a foursome where the average score is 90, this allows you a little less than 30 seconds per shot. While that may not sound like a long time, they only give the pros 45 seconds per shot, and they are playing for the big bucks – you're not!

The Cardinal Rule – KEEP UP WITH THE GROUP IN FRONT OF YOU! Our first few groups routinely play in 4 hours or less; if everyone just keeps up, we all finish in 4 hours, right?

Some other tips to help speed up the pace of play:

- Play ready golf – don't be so concerned with who's away or who's honor it is on the tee. If you're there first, just hit the ball!
- Do your chatting, tell your jokes, etc. while you walk or ride between shots. When it's time to hit, shut up and let 'er rip.
- While someone else is getting ready to hit, or hitting, you should be getting ready also. Go ahead and start your club selection, read your putt, whatever. If you can overlap your 30 seconds with the rest of your group, you can move things along.
- Be aware of the tournament format and whether your next stroke matters – grinding over that 3 foot putt for a 8 that won't count in a two-man best ball format just wastes time. Pick it up, write down a realistic score for handicap purposes, and move along. Obviously, tournaments where every stroke counts (individual medal, etc.) may be a little slower; just be sure to use the previous tips, and you'll be fine.
- If two players are done putting, start heading to the next tee. The other two can finish up and put the flag in.
- Before putting, put your bag or cart on the side of the green towards the next tee. When you're done, you'll clear the green faster and be heading in the right direction.

Bottom line, if we all remind each other to keep it moving, we'll all be playing faster, which will leave more time for a beer in the bar!
