April 2010

President's Message

Gregor Markel

It looks like the majority of the rains are behind us and "real" spring weather is here (though as I write this there is still a chance of rain in the forecast in the next few days – yuck!). I hope everyone gets a chance to play some golf and enjoy the outdoors while the weather is good.

The golf course will be undergoing some changes soon. You will see the notice in this edition of the Chip Shots that our current course superintendant Moody Ayeb will be leaving us to take on a new position within CourseCo, and Dennis Orsborn will be coming on to fill that position. We welcome Dennis and his years of experience. Please take a moment to introduce yourself and welcome him to the Las Positas Family.

As with all local and regional cities, Livermore is not immune to the world of budget issues. The state is continuing to battle with larger deficits and to close these gaps they are squeezing the local jurisdictions harder to accomplish their goals. The City of Livermore will be holding an open forum to discuss items related to the City budget and take testimony on what is important to the Citizens of Livermore. This meeting will be held on Tuesday, April 13th at the Livermore Public Library Civic Center at 7:00 pm. So why is this important to us you ask? The golf course is directly impacted by budget cuts, and we need to ensure our voice is heard, so the City does not sacrifice the level of quality that we have come to expect at the course. If you can not make the meeting, starting on Monday, April 12th through the 18th you can log-on to the city website at <http://www.ci.livermore.ca.us/> and select the button "budget challenge" to ensure your voice is heard. It is important to all of us that we let the City know the value we put on the golf course, and that funding for the course be continued.

With a full slate of men's club tournaments coming up, for all of you fair weather golfers, it is time to dust off the clubs and get out and participate in the club tournaments. As many who are already playing know, there are several special prizes that are distributed at every tournament such as "closest to the pin" prizes in addition to the traditional money from the prize fund. Now is a great time to be actively involved in each tournament day with your men's club. ☺

Members Cup Race

Perry Mccollom

Look who's leading the pack, our 2009 Members Cup Champion Tom Geary with 38.50 points. Looks like Tom fully intends to repeat as 2010 Members Cup Champion. We'll have to get out and play some golf as well as play well if we want to keep pace Tom. Mike Remington sets in second place less than a point behind with 37.58 points; Paul Desena is third with 35 points.

If you ever see an error with my numbers please let me know and I'll make sure it's corrected in the next month's standings.

Remember, top 32 go to the Championship Tournament in January.

LPMGC - Tournament Rules

The following are the current Tournament Rules for Tournaments held by the Las Positas Men's Golf Club.

1. A member must have at least twenty (20) posted rounds to be able to **Qualify** in the following tournaments:

- a. NCGA Qualifying Events (4)
- b. Presidents Cup
- c. Senior Championship
- d. Club Championship.

There are specific requirements for each tournament; these are published on the tournament entry form. ALL members are eligible to participate in every Men's Club Tournament.

All tournament entries must be accompanied by a check. All entries are due in the Pro Shop on Thursday, 5:00 PM, the week prior to the tournament. Entries are to be dropped into the club's box.

Entries for non-computer paired tournaments must include all names in your group and checks for your group. Withdrawals must be made at least 48 hours in advance. The prize fund fee will not be refunded after 48 hours. Withdrawals on the day of the tournament, the entrant will forfeit all fees unless there are extenuating circumstances. The tournament committee will make the final decision on refunds. Members should refer to the Refund Policy.

After the tournament pairings have been given to the Pro Shop, all further transactions (inclusions and exclusions) will be handled by the Pro Shop.

Each entrant is responsible for his "tee time", turning in a completed, signed scorecard and posting his adjusted score in the computer.

All rules decisions will be handled by the rules committee which consists of either Jeff DeBenedetti, or his designee.

All tournaments are in accordance with the USGA rules and guidelines. This includes equipment, balls, etc. Should a member use an item that does not conform to the USGA rules, that player will be disqualified.

LPMGC Slow Play Policy

The Las Positas Men's Club expects all groups in its tournaments to keep up with the group in front of it. If your group falls more than 1 hole behind the group in front of you, you will be considered a "slow" group, and subject to the policy as noted below.

POLICY: Members identified as slow-playing will be put on a list. This list will be published on the Men's Club bulletin board, in the Chip Shots and on the Club website. Members on the list will be given tee times at the end of any tournaments they participate in. To be removed from the list, you must not be warned for slow play in your next 2 tournaments.

You will be added to the list when you are warned for slow play by a member of the tournament committee (typically Jeff DeBenedetti and one or more of the golf shop professionals). You may also receive a "heads-up" about slow play from one of the golf course marshals first. This will not get you on the list, but should be taken as notice that you are in danger of receiving a warning from the committee if you do not catch up.

Current Members on Slow Play List

None (let's keep it this way!!)
