President's Message

Bob Goold

A strong club is built on strong participation, and the Las Positas Men's Club participation has been very, very good of late. We could chalk the enthusiasm up to the drought/good weather, but I'd like to think it is the positive club competitions and improving environment at Las Positas Golf Course. Club participation in tournaments continues to thrive, with 76 players battling in our four-ball qualifier and 68 competing in the individual / Las Po cup during January. This trend with the increase in overall tournament play last year. Individuals continue to express interest in joining the club, so we must be doing something right! No doubt we need to continue thank our partners: the DeBenedetti's and the pro-shop staff, and the staff at Beeb's. Overall, it's just plain fun to play golf at Las Positas and then spend time after re-living the good shots and what could have been.

Financially, the club is in pretty good shape. We model our annual budget on a predicted number of members, and model our tournament payout based on a history of play in the past. The above mentioned increase in tournament play has effectively put a little strain on the tournament budget because a larger number of members are playing than initially predicted. The board will adjust as necessary to keep the club "in the black," and this is a very good problem to deal with. As interest in the club continues to grow, this will only get easier to deal with.

Finally, I'd like to thank everyone for their participation the LasPo cup this year. We had a great final tournament with some of the biggest payouts we have ever had. Check out final results on the website.

See you on the golf course.

Special Events!!

Bob Carey

The January general membership meeting was held on January 4th. The 2012 season putting contest prior to the general meeting will resume in May. There will be no meeting for the month of February. No raffle was held at the January meeting because I forgot to bring the raffle numbers...oops.

Safety Note: Some rain finally came to Northern California. Good for the golf courses and the water supply. Keep your rain gear handy and watch your step. Slips and slides can cause strains and sprains.

The next general membership meeting will be held on Wednesday March 7th at Beeb's Sports Bar and Grill at 7:00 p.m. Hope to see you there!!

Dates to remember!

Perry Mccollom

Demo Day April 22nd

From the Pro Shop

Jeff De Benedetti

At this time, Las Positas is in the process of replacing the sand in all the bunkers. The old bunker sand is thin and firm, while the new sand is light and fluffy.

While playing out of the bunker is hard enough, I think I can help to make it easier and more enjoyable.

1. Access the type of bunker you are in
2. Choose your club wisely
 - a. **Old bunkers**, use a club with less bounce (60 degree), this will help from the club "bouncing off the sand" causing a thin shot.
 - b. **New bunkers**, use a little more loft (56 degree) to help from "digging" to deep.
3. Swing $\frac{3}{4}$ back and follow through try to make the sand around the ball reach the green. If the sand lands on the green, more often than not the ball will as well.
4. If all else fails.....Don't hit it in the sand!!

Tournament sign up policy!!!

Perry Mccollom

1. Drop check in the Men's Club box at Las Positas before Thursday deadline.
2. If you're not able to get to the golf course you can sign-up by emailing your name, phone number, and designate what tournament you want to enter to pres@laspositasgolf.com and tourney1@laspositasgolf.com, and you're in! Sign-up as a group or a single. You can mail your check to the address on the entry form or pay the day of the tournament.

Notes from the Handicap Director

Rick Beck

Lesson 1 - Post All Your Scores

With several new members in our club, and for a brush-up for our renewing members, we'll discuss basic handicap topics in the next few Chipshots. Accurate handicap indexes ensure that we maintain fairness in all our tournaments and competitions.

Your NCGA handicap index is a measure of your potential scoring ability. The system is designed to calculate this based on two assumptions – you are trying to make the best score possible on every hole, and that you post all of your applicable golf scores.

You are required to post a score for any round where you play 7 or more holes on a course with an active slope and course rating unless the round is not played according to the rules of golf (scrambles, alternate shots, iron-only contests, two balls played, etc).

Do Post:

- Better ball, match play, and skins rounds
- Partial rounds at twilight or early morning back nines (as long as you complete 7 or more holes)
- All rounds played elsewhere, even if on vacation (as long as the course has a course and slope rating and is in an active season)

If you play 7-12 holes, post a 9-hole score. If you play 13 or more holes, post an 18-hole score. For holes not played, assign a score of par plus whatever handicap strokes you would be entitled to, based on your course handicap and the handicap rating of the hole.

If you fail to complete a hole, give yourself the most likely score you would get if you were to finish the hole. For example, if you pick up in a better ball contest on the green 20 feet from the hole, you would likely require 2 more strokes.

Please note that you are expected to post all of your tournament scores yourself unless otherwise notified. Even if you withdraw or are disqualified, you are still required to post.

Please email handicap1@laspositasgolf.com if you have any handicap-related questions or issues.

2012 Meeting Schedule

Gregor Markel

For 2012, the LPMGC will be running the general membership meetings on the following dates:

January 4th

March 7th

May 2nd (1st Putting Contest)

June 6th

July 11th (moved to 2nd week due to holiday)

August 1st

September 5th (Final Putting Contest)

November 7th (Annual Budget and Board Elections).

All of the meetings will be held at 7:00 pm at Beeb's Bar and Grill at the Las Positas Golf Course.

LPMGC - Tournament Rules

The following are the current Tournament Rules for Tournaments held by the Las Positas Men's Golf Club.

1. A member must have at least twenty (20) posted rounds to be able to **Qualify** in the following tournaments:

- a. NCGA Qualifying Events (4)
- b. Presidents Cup
- c. Senior Championship
- d. Club Championship.

There are specific requirements for each tournament; these are published on the tournament entry form. ALL members are eligible to participate in every Men's Club Tournament.

All tournament entries must be accompanied by a check. All entries are due in the Pro Shop on Thursday, 5:00 PM, the week prior to the tournament. Entries are to be dropped into the club's box.

Entries for non-computer paired tournaments must include all names in your group and checks for your group.

Withdrawals must be made at least 48 hours in advance. The prize fund fee will not be refunded after 48 hours.

Withdrawals on the day of the tournament, the entrant will forfeit all fees unless there are extenuating circumstances. The tournament committee will make the final decision on refunds. Members should refer to the Refund Policy.

After the tournament pairings have been given to the Pro Shop, all further transactions (inclusions and exclusions) will be handled by the Pro Shop.

Each entrant is responsible for his "tee time", turning in a completed, signed scorecard and posting his adjusted score in the computer.

All rules decisions will be handled by the rules committee which consists of either Jeff DeBenedetti, or his designee.

All tournaments are in accordance with the USGA rules and guidelines. This includes equipment, balls, etc. Should a member use an item that does not conform to the USGA rules, that player will be disqualified.

LPMGC Slow Play Policy

The Las Positas Men's Club expects all groups in its tournaments to keep up with the group in front of it. If your group falls more than 1 hole behind the group in front of you, you will be considered a "slow" group, and subject to the policy as noted below.

POLICY: Members identified as slow-playing will be put on a list. This list will be published on the Men's Club bulletin board, in the Chip Shots and on the Club website. Members on the list will be given tee times at the end of any tournaments they participate in. To be removed from the list, you must not be warned for slow play in your next 2 tournaments.

You will be added to the list when you are warned for slow play by a member of the tournament committee (typically Jeff DeBenedetti and one or more of the golf shop professionals). You may also receive a "heads-up" about slow play from one of the golf course marshals first. This will not get you on the list, but should be taken as notice that you are in danger of receiving a warning from the committee if you do not catch up.

Current Members on Slow Play List

None (let's keep it this way!!)

LPMGC Tournament Refund Policy

If you notify the Golf Shop within 48 hours prior to the Tournament that you have to withdraw, you will receive a full refund of your entry fee. If you notify the Golf Shop less than 48 hours prior to the tournament date, but no later than the close of business the day before the tournament that you have to withdraw, only the Green Fee portion of the entry fee will be refunded.

NO SHOWS will receive NO REFUND and the money will go to the Men's Club Funds.

Players who do not show for the second day of a two day tournament will be treated as a NO SHOW.

Cancellations the day of the tournament will be considered for a refund of Green Fee only, IF the Golf Shop can find a replacement player. In case of an emergency on the day of the tournament, the player should notify the Golf Shop and may petition the Board, in writing, to request a refund of Green Fee Only.
